

iBuzzProTEAM Examples For Broadcasting Messages/Scripts ... (5/26/08)

NOTE 1: You do not have to scrub your list, against the DNC [Do Not Call List] if the following applies: If you're calling leads that have requested information and they are less than 90 days old, or if they are advertising their business then that makes them a B2B lead not covered under the DNC.

NOTE 2: It would be wise to start your message with the following statement or something close to it.

Hi this is _____ from _____, _____ and I'm calling you because you recently visited our website and requested information about making money on the internet...

Hi this is _____ - You've got a business that I've seen you advertising online and I'm conducting a free webinar today at _____ which is _____ PM Eastern Time.

Hi this is _____ from _____ I noticed your online advertising for your opportunity...

Hi this is _____ from _____ and you recently visited my website and asked me to call you....

NOTE 4: ALWAYS say your numbers twice as slow as you normally would say them to yourself...

NOTE 5: ALWAYS REPEAT YOUR NAME AND WEBSITE at the end of every message.

NOTE 6: It's also wise to make the following statement toward end of your message:

"To be removed our list please press ___ now!"
